PUENTE, CALIFORNIA

# Foreword

In this catalog we have a collection of roses that represents a good cross-section of the most popular varieties on the market. All the older roses have proved their worth through constant demand, and we have added some of the newer ones which show promise of being mainstays. Thus, we are enabled by careful selection to offer to the trade a well rounded selection of staple varieties that will find a ready market.

## *Careful Grading*

We exercise extreme care in grading so that only representative stock of the grade named goes into each bunch.

## *Satisfactory Service*

Our aim is to give our customers satisfactory service. We will entertain and make adjustment for any valid claims made within reasonable time after receipt of shipment.

Write us for special quotations on large quantity lots.
